

XIAOLI ETIENNE

Professor

Idaho Wheat Commission Bill Flory Endowed Chair in Risk Management
Department of Agricultural Economics and Rural Sociology, University of Idaho
Ag Science Room 25, 875 Perimeter Drive MS 2334, Moscow, ID 83844, USA
xetienne@uidaho.edu +1(208)-885-0133 www.xiaolietienne.com

Education

- 12/2013 Ph.D. in Agricultural and Applied Economics
University of Illinois at Urbana-Champaign, Urbana, IL, USA
Dissertation: *Three Essays on Bubbles in Agricultural Futures Markets*.
Advisors: Dr. Scott H. Irwin and Dr. Philip Garcia
- 08/2009 M.S. in Agricultural and Applied Economics
University of Illinois at Urbana-Champaign, Urbana, IL, USA
Thesis: *Salmonella in My Salsa and Melamine in My Milk: Food Safety and the Distribution of Trade-Related Technical Assistance*.
Advisor: Dr. Alex Winter-Nelson
- 05/2009 M.S. in Applied Statistics
University of Illinois at Urbana-Champaign, Urbana, IL, USA
- 07/2007 B.A. in Rural and Regional Development
Renmin University of China, Beijing, China

Employment

- 08/2021–Present **University of Idaho, Moscow, ID**
Professor (05/2025–Present)
Associate Professor (08/2021–05/2025)
Idaho Wheat Commission Endowed Chair in Risk Management (08/2021–Present)
Department of Agricultural Economics and Rural Sociology
Appointment: 55% research, 20% teaching, 15% extension, 10% service
- 11/2025–Present **Washington State University, Pullman, WA**
Adjunct Faculty, School of Economic Sciences
- 08/2014–Present **West Virginia University, Morgantown, WV**
Adjunct Faculty (08/2021–Present)
Associate Professor (08/2019–07/2021)
Assistant Professor (08/2014–07/2019)
Division of Resource Economics and Management
Appointment: 40% research, 40% teaching, 20% service
- 08/2014–08/2021 **West Virginia University, Morgantown, WV**
Faculty Research Associate, Regional Research Institute
- 12/2013–06/2014 **The World Bank Group, Washington, DC**
Short-Term Consultant
- 08/2007–07/2013 **University of Illinois at Urbana-Champaign, Urbana, IL**
Research and Teaching Assistant

Research Interests

- Primary: Risk Management, Price Analysis and Forecasting, Futures and Options Markets
Secondary: Applied Econometrics, Consumer Marketing, Policy Analysis

Awards and Honors

2025	Idaho 500 Honoree, <i>Idaho Business Review</i>
2015, 2017, 2018	Outstanding Researcher, Division of Resource Economics and Management, West Virginia University
2018	Outstanding Service Award, Division of Resource Economics and Management, West Virginia University
2017	Outstanding Reviewer, <i>Agricultural Finance Review</i> (Emerald Literati Awards)
2015	Big XII Faculty Fellow, West Virginia University

Papers Under Review and in Preparation

^{*} denotes a student coauthor when the majority of the work was completed.

[#] denotes corresponding author when different from the first author.

17. Dhakal, A.^{*}, **Etienne, X.L.**, and Trujillo-Barrera, A. Impact of Weather Disturbances on Wheat Price Spread. Revise and resubmit. *Agribusiness: An International Journal*.
16. Nie, F., **Etienne, X.L.**, and Li, J.[#] Smarter Infrastructure, Smarter Firms? Impact of Urban Metro-Rail Transit Development on Firms' Robot Adoption in China. Revise and resubmit. *Applied Economics*.

15. Zhang, Q., and **Etienne, X.L.** Framed by Risk: Understanding Consumer Valuation of Mobile Poultry Processing Units in the United States. Under review.
14. Bastakoti, S.^{*}, **Etienne, X.L.**, and Tejeda, J.[#] From Slaughter to Supper: A Spatial Framework for Modeling Beef Product Flows and Food Miles in the United States. Under review.
13. Zhang, Q., and **Etienne, X.L.** Latent Motives, Information Framing, and Willingness to Pay for Animal Welfare in Poultry Production. Under review.
12. Scarcioffolo, A., and **Etienne, X.L.** Energy Price Shocks: The Case of the Diesel Market in Brazil. Under review.
11. Franken, J., **Etienne, X.L.**, and Irwin, S.H. Farmland Price Bubbles. Under review.
10. Jo, J., **Etienne, X.L.**, and Adjemian, M. Inflationary Effects of Biofuel Policy Shocks. Working paper available.
9. K.C., S.^{*}, **Etienne, X.L.**, and Trujillo-Barrera, A. Machine Learning Meets Meta-Analysis: Vertical Price Transmission in Food Markets. Working paper available.
8. Adhikari, S.^{*}, **Etienne, X.L.**, Trujillo-Barrera, A., McConnell, M., and Adam, B. Estimating the Impact of Rising International Production and Trade on Corn Price Dynamics. Working paper available.
7. Farhangdoost, S.^{*}, and **Etienne, X.L.** Forecasting Natural Gas Prices in the Shale Boom Era. Working paper available.
6. Farhangdoost, S.^{*}, and **Etienne, X.L.** Time-Varying Announcement Effect of EIA Inventory Reports. Working paper available.
5. Baffes, J., **Etienne, X.L.** and Jo, J. Which Stocks Matter? Global Inventories and Agricultural Commodity Prices. Working paper available.
4. Gariety, D.^{*}, **Etienne, X.L.** and Jo, J. Forecasting Portland Wheat Basis. Work in progress.
3. Shrestha, A.^{*}, Zhang, Q., **Etienne, X.L.**, Trujillo-Barrera, A., and Tejeda, H. Making carbon taxes more acceptable: Evidence from U.S. consumers and dairy products. Work in progress.
2. Shrestha, A.^{*}, Zhang, Q., **Etienne, X.L.**, Trujillo-Barrera, A., and Tejeda, H. How do alternative climate mitigation claims affect WTP in dairy markets? Work in progress.
1. Shrestha, A.^{*}, Zhang, Q., **Etienne, X.L.**, Trujillo-Barrera, A., and Tejeda, H. Do nudges affect the demand for low-carbon milk products? Evidence from consumer choices and willingness to pay. Work in progress.

Grants Received

Total grants received as PI and co-PI: **\$4,736,109**. My spending authority: **\$1,462,410**.

17. **Etienne, X.L.** (PI), Zhang, Q., Han, T., Shen, C., and Luo, Y. Improving microbial safety of locally grown fresh produce with nanotechnology: Consumer and producer perceptions. *USDA NIFA AFRI Foundational and Applied Science Program, Social Implications of Food and Agricultural Technologies*, 2026–2028. \$299,998. My spending authority: \$152,377.
16. **Etienne, X.L.** (PI), Jo, J., Trujillo-Barrera, A., and Hatzenbuehler, P. Global barley market analysis and opportunities for US barley. *Idaho Barley Commission*, 2026–2027. \$19,469. My spending authority: \$19,469.
15. **Etienne, X.L.** (PI), Trujillo-Barrera, A., and Tejeda, H. Sustainable dairy supply chain toward the net-zero initiative. *USDA NIFA AFRI Foundational and Applied Science Program, Economics, Markets and Trade*, 2024–2028. \$649,990. My spending authority: \$336,442.

14. **Etienne, X.L.** (PI), Trujillo-Barrera, A., Tejeda, H., Ruhoff, N., and Wilder, B. Cultivating future ag marketing leaders: A summer research and extension program on agricultural commodity marketing and risk management. *USDA NIFA AFRI Education and Workforce Development Program, Research and Extension Experiences for Undergraduates (REEU)*, 2024–2029. \$749,997. My spending authority: \$296,506.
13. **Etienne, X.L.** (PI), Mayes, I., Van Buren, J., Raney, T., Wang, J., and Ghimire, N. PEARS: Providing educational agriculture to rural schools. *USDA NIFA Food and Agricultural Service Learning Program (FASLP)*, 2024–2026. \$239,997. My spending authority: \$128,937.
12. **Etienne, X.L.** (PI), Tejeda, H. Wilder, B., Thompson, J., and Bass, P. Sustainability impacts of post-harvest beef flows. *National Cattlemen’s Beef Association*, 2024–2026. \$48,030. My spending authority: \$24,015.
11. **Etienne, X.L.** (PI), Trujillo-Barrera, A., Hatzenbuehler, P., and Wilder, B. Meeting critical needs for targeted marketing and risk management strategies for Idaho grain producers. *USDA NIFA AFRI Foundational and Applied Science Program, Critical Agricultural Research and Extension (CARE)*, 2023–2026. \$300,000. My spending authority: \$220,000.
10. Shen, C. (PI), Luo, Y., **Etienne, X.L.**, and Jones, L. Applying triple-wash and nanotechnology to mitigate microbial cross-contamination on locally grown produce through integrated research and extension activities. *USDA NIFA AFRI Foundational and Applied Science Program, Critical Agricultural Research and Extension (CARE)*, 2023–2025. \$300,000. My spending authority: \$39,932.
9. Adjemian, M. (PI), **Etienne, X.L.**, and Volpe, R. Incorporating additional data into the food price outlook for improved precision and causal inference. *USDA Economic Research Service (ERS) Cooperative Agreement*, 2022–2025. \$75,000. My spending authority: \$13,166.
8. Shen, C. (PI), **Etienne, X.L.**, Kenny, B., and Jones, L. Improving microbial safety and marketing of West Virginia locally pastured broilers by establishing a mobile poultry processing unit through research and extension activities. *USDA NIFA AFRI Foundational and Applied Science Program, Critical Agricultural Research and Extension (CARE)*, 2022–2025. \$299,192. My spending authority: \$67,959.
7. **Etienne, X.L.** (PI) and Trujillo-Barrera, A. Estimating the effects of rising international corn production and trade on the U.S. and global corn markets. *USDA Economic Research Service (ERS) Cooperative Agreement*, 2021–2023. \$25,000. My spending authority: \$18,358.
6. Shen, C. (PI), **Etienne, X.L.**, Jones, L., and Freshour, A. Establishing a summer internship program to enhance undergraduate knowledge and skills of food safety through research and extension activities. *USDA NIFA AFRI Education and Workforce Development Program, Research and Extension Experiences for Undergraduates (REEU)*, 2020–2024. \$398,997. My spending authority: \$55,264.
5. Elbakidze, L. (PI), **Etienne, X.L.**, Hubbart, J., and Strager, M. INFIEWS: Modeling interdependent FEW systems in the U.S. and China: Nexus for sustainability, markets, and trade of energy and agricultural commodities. *National Science Foundation*, 2019–2023. \$494,888. My spending authority: ~\$20,000 (also advised the project postdoctoral researcher on relevant activities).
4. Shen, C. (PI), **Etienne, X.L.**, and Jones, L. Improving the safety and quality of locally grown produce in West Virginia. *USDA NIFA AFRI Foundational and Applied Science Program, Critical Agricultural Research and Extension (CARE)*, 2019–2021. \$195,730. My spending authority: \$27,985.
3. Zhang, Y. (PI), Hansen, F., Shen, C., **Etienne, X.L.**, and Jones, L. Evaluating antibiotic resistance in locally grown fresh produce to enhance urban food sustainability. *USDA NIFA Institute of Family, Youth and Community, Division of Community and Education, Non-Land Grant Colleges of Agriculture Program (through Wayne State University)*, 2018–2020. \$619,821. My spending authority: ~\$22,000.

2. **Etienne, X.L.** (PI) Exploring an alternative method to forecast the season-average producer price for U.S. corn. *USDA Economic Research Service (ERS) Cooperative Agreement*, 2017–2019. \$20,000. My spending authority: \$20,000.
1. Mertz, B. (PI), et al. MRI: Acquisition of Thorny Flat Next Generation Cluster for High-Performance Computing in West Virginia. *National Science Foundation Major Research Instrumentation (MRI)*, 2018–2020. \$989,408 (**Etienne**: senior personnel).

Conference and Other Research Presentations

* denotes a student coauthor when the majority of the work was completed.
Includes presentations made by coauthors.

61. Jo, J., **Etienne, X.L.**, and Adjemian, M. Inflationary Effects of Biofuel Policy Shocks. *WAEA Annual Meeting* (Scheduled, 06/2026, Flagstaff, AZ.); *AAEA Annual Meeting* (Scheduled, 07/2026, Kansas City, MO.); *9th J.P. Morgan Center International Commodities Symposium* (08/2026, Denver, CO.)
60. Shrestha, A. *, Zhang, Q., **Etienne, X.L.**, Trujillo-Barrera, A., and Tejeda, H. Making carbon taxes more acceptable: Evidence from U.S. consumers and dairy products. *AAEA/WAEA Annual Meeting* (07/2026, Kansas City, MO.)

Outreach Presentations

22. **Etienne, X.L.** Risk Management Strategies for the 2026–2027 Wheat Crop. *2026 Direct Seed Workshop* (03/03/2026, Idaho Falls, ID).
21. **Etienne, X.L.** Marketing Crops in a Challenging Time. *2026 East Idaho Cereals Conference* (02/04/2026, Idaho Falls, ID).

20. **Etienne, X.L.** Marketing 101: Tools for Managing Price Risk. *2026 East Idaho Cereals Conference* (02/04/2026, Idaho Falls, ID).
19. **Etienne, X.L.** Input Cost Trends. *2026 Idaho Ag Outlook* (12/17/2025, Boise, ID).
18. **Etienne, X.L.** Wheat Marketing Strategies. *WSU Wheat Academy* (12/09/2025 and 12/10/2025, Pullman, WA; two 90-minute sessions).
17. **Etienne, X.L.** Borah Symposium: Great Power Competition and Agricultural Commodities. *Borah Symposium* (09/29/2025, Moscow, ID).
16. **Etienne, X.L.**, Tejeda, H., and Hatzenbuehler, P. Workshop on Grain Risk Management. *Workshop for Producers in Southern Idaho* (02/28/2025, Twin Falls, ID; 4-hour lecture).
15. **Etienne, X.L.**, and Hatzenbuehler, P. Workshop on Grain Risk Management. *Workshop for Producers in Eastern Idaho* (02/27/2025, Pocatello, ID; 4-hour lecture).
14. Hatzenbuehler, P., Field, C., and **Etienne, X.L.** Input Cost Trends. *East Idaho Cereals Conference* (02/05/2025, Fort Hall, ID).
13. **Etienne, X.L.** Input Cost Trends. *2025 Idaho Ag Outlook* (12/18/2024, Boise, ID).
12. **Etienne, X.L.** Workshop on Grain Risk Management. *Workshop for Producers in North Idaho* (10/17/2024, Lewiston, ID; 4-hour lecture).
11. **Etienne, X.L.** Workshop on Grain Risk Management. *Workshop for Producers in Eastern Idaho* (06/04/2024, Ririe, ID; 4-hour lecture).
10. **Etienne, X.L.** Input Cost Trends. *2024 Idaho Ag Outlook* (12/14/2023, Nampa, ID).
9. **Etienne, X.L.** Input Cost Trends. *2024 Idaho Ag Outlook* (12/13/2023, Twin Falls, ID).
8. **Etienne, X.L.** Input Cost Trends. *2024 Idaho Ag Outlook* (12/12/2023, Idaho Falls, ID).
7. **Etienne, X.L.** Managing Price Risk in Volatile Times. *Podcast with Idaho Wheat Commission* (06/07/2023, virtual).
6. **Etienne, X.L.** From Farm to Fork: What Happened to Food Prices? *Department of Physics Award Banquet, University of Idaho* (04/06/2023, Idaho Falls, ID).
5. **Etienne, X.L.** Marketing 2023/2024 Wheat. *2023 Direct Seed Workshop* (03/06/2023, Idaho Falls, ID).
4. **Etienne, X.L.** Input Cost Trends. *2022 Idaho Ag Outlook* (12/14/2022, virtual).
3. **Etienne, X.L.** and Hatzenbuehler, P. Input Cost Trends: An Update. *Ag Talk Tuesday, University of Idaho Extension* (08/16/2022, virtual).
2. Westerhold, A. and **Etienne, X.L.** Input Cost Trends. *University of Idaho Cereal School* (02/04/2022).
1. **Etienne, X.L.** Input Cost Trends. *2021 Idaho Ag Outlook* (12/14/2021, virtual).

Teaching

University of Idaho

- **AGEC 3890/4890: Understanding and Using Futures and Options Markets** (3 credit hours). Offered as two independent sections each semester, one in person and one online (for 2+2 students). Semesters taught: Spring 2022, Spring 2023, Spring 2024, Spring 2025, Spring 2026.
- **AGED 4070 Global Agricultural & Life Sciences Systems**. Co-led session focused on Taiwan. Semesters taught: Spring 2026.
- **AGEC 404: Special Topics—Grain Marketing Tour in the Pacific Northwest**. Semesters taught: Fall 2024.

West Virginia University

- **ARE 440: Futures Markets and Commodity Prices** (3 credit hours). Semesters taught: Spring 2015, Spring 2016, Spring 2018, Spring 2019, Spring 2020, Spring 2021.
- **ARE 624: Econometric Analysis for Resource Economics** (3 credit hours). Semesters taught: Fall 2015, Fall 2016, Fall 2017, Fall 2018, Fall 2019, Fall 2020.
- **ARE 601: Microeconomics** (4 credit hours). Semesters taught: Fall 2016, Fall 2017, Fall 2018, Fall 2019, Fall 2020.
- **ARE 799: Seminar on Energy Economics** (1 credit hour). Semesters taught: Fall 2016, Spring 2017.
- **ARE 796: Graduate Seminar** (1 credit hour). Semesters taught: Spring 2020, Spring 2021.

Other Teaching and Instruction

- **Crop Markets in the Pacific Northwest.** AgBiz Summer Fellows Program, University of Idaho, Summer 2025.
- **Developing Marketing Strategies.** Troy School District, Troy, ID, April 21, 2025 (for high school FFA students).
- **Applied Econometrics.** Huazhong Agricultural University, China. Summer 2022, Summer 2023, Summer 2024. Online and in-person delivery.
- **Futures Markets and Commodity Prices.** Huazhong Agricultural University, China. Summer 2021. Online delivery.
- Invited lectures in undergraduate and graduate courses at West Virginia University and the University of Idaho.

Student Advising

Graduate Committees Chaired or Co-Chaired: Current Students

- **Aavash Shrestha**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *Consumer Valuation of Low-Carbon Dairy Products*. Expected graduation: August 2027.

Graduate Committees Chaired or Co-Chaired: Former Students

- **Zhao Ming**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *Net-Zero Goals and Strategies for Dairy Processors*. Graduated August 2026. Initial placement: Ph.D. student, Texas Tech University, Lubbock, TX.
- **Sushuan K. C.**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *Vertical Price Transmission in the Food Supply Chain: New Evidence Based on Meta-Analysis*. Co-advised with Dr. Andres Trujillo-Barrera. Graduated August 2025. Initial placement: Ph.D. student, Texas A&M University, College Station, TX.
- **Saurabh Bastakoti**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *How Far Do Beef Products Travel in the United States?* Co-advised with Dr. Hernan Tejeda. Graduated August 2025. Initial placement: Ph.D. student, Washington State University, Pullman, WA.
- **Michael Nading, Jr.**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *Idaho Wheat Producers' Marketing Strategies: Evidence Based on Focus Groups and a Statewide Survey*. Co-advised with Dr. Andres Trujillo-Barrera. Graduated May 2025. Initial placement: Research Analyst, Decision Innovation Solutions, Des Moines, IA.
- **Pinky Thomas**, Ph.D. in Natural Resource Economics, West Virginia University. *Three Essays on Energy Economics*. Co-advised with Dr. Alan Collins. Graduated December 2024. Initial placement: Energy Market Analyst, Austin Energy, Austin, TX.

- **Saroj Adhikari**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *Estimating the Effects of Rising International Corn Production and Trade on the U.S. and Global Corn Markets*. Co-advised with Dr. Andres Trujillo-Barrera. Initial placement: Ph.D. student, School of Economics, Washington State University, Pullman, WA.
- **Aayush Dhakal**, M.S. in Applied Economics, Department of Agricultural Economics and Rural Sociology, University of Idaho. *Impact of Weather Disturbances on Spring and Winter Wheat Price Spreads*. Co-advised with Dr. Andres Trujillo-Barrera. Initial placement: Ph.D. student, Department of Agricultural and Consumer Economics, University of Illinois at Urbana-Champaign, Urbana, IL.
- **Sara Farhangdoost**, Ph.D. in Natural Resource Economics, West Virginia University. *Three Essays on Commodity Price Forecasting and Volatility*. Graduated December 2021. Initial placement: Data Scientist, State Farm Insurance (remote).
- **Richard Vest**, M.S. in Energy Environments, West Virginia University. *Non-Monetary Economies: A Study of Alternative Governing Principles*. Graduated August 2021.
- **Kuan-Ming Huang**, Ph.D. in Natural Resource Economics, West Virginia University. *Three Essays on Applied Econometrics in Energy and Agriculture*. Graduated May 2021. Initial placement: Postdoctoral Researcher, University of Florida, Gulf Coast Research and Education Center, Wimauma, FL.
- **Alexandre Scarcioffolo**, Ph.D. in Natural Resource Economics, West Virginia University. *Three Essays on Energy Economics*. Graduated May 2020. Initial placement: Assistant Professor, Department of Economics, Georgia College & State University, Milledgeville, GA.
- **Zarina Ismailova**, M.S. in Agricultural and Resource Economics, West Virginia University. *Quantifying Announcement Effects in the U.S. Lumber Market*. Graduated May 2019. Initial placement: Financial Analyst, Chatel Real Estate, Washington, DC.
- **David Aratuo**, Ph.D. in Natural Resource Economics, West Virginia University. *Three Essays on Tourism Demand and Economic Development in the United States*. Co-advised with Dr. Peter Schaeffer. Graduated December 2018. Initial placement: Research Fellow, School of Conflict Analysis and Resolution, George Mason University, Fairfax, VA.
- **Mostafa Hashemi**, M.S. in Agricultural and Resource Economics, West Virginia University. *The Linkage Between the U.S. Dollar Exchange Rate and Oil Prices*. Graduated December 2017. Initial placement: Graduate Student, Educational Psychology, West Virginia University, Morgantown, WV.
- **Seth Wiggins**, Ph.D. in Natural Resource Economics, West Virginia University. *Three Essays on Energy Economics*. Graduated August 2016. Initial placement: Visiting Assistant Professor, Department of Economics, Colorado School of Mines, Golden, CO.

Graduate Students Advised as Committee Member

- University of Idaho: Tyler Hand, M.S. (05/2024)
- WVU Division of Resource Economics and Management: Syedul Islam, Ph.D. (12/2023); Ritika Khurana, Ph.D. (05/2022); Shabani Kariburyo, Ph.D. (12/2021); Bolarinwa Ajanaku, Ph.D. (05/2021); Zachary Keeler, Ph.D. (05/2021); Douglas Mugabe, Ph.D. (08/2020); Fahad Alzahrani, Ph.D. (12/2019); Michael O'Connor, M.S. (08/2019); Collin Hodges, Ph.D. (08/2019); Yiming He, Ph.D. (05/2019); Marissa Meltzer, M.S. (05/2019); Mousa Tawfeeq, Ph.D. (08/2018); Adama Warr, M.S. (05/2018); Addie Thornley, M.S. (05/2018); Sapana Bastola, M.S. (12/2017); Abiola Owioye, M.S. (05/2017); Adebisi Adeboje, M.S. (05/2017); Christopher Schultz, Ph.D. (12/2015).
- Other Departments/Universities: Xufeng Zhang, Ph.D. (WVU, Forestry and Natural Resources, 08/2022); Jiarui Li, Ph.D. (University of Illinois, Agricultural and Applied Economics, 05/2022); Wentao Jiang, Ph.D. (WVU, Animal and Nutritional Sciences, 05/2021); Yu-Chun Chiu (WVU, Plant and Soil Sciences, 08/2019); Qinling Lu, Ph.D. (WVU, Economics, 05/2019); Taining Wang, Ph.D. (WVU, Economics, 05/2019); Jinjing Tian, Ph.D. (WVU, Economics, 05/2018); Fan Zhang, Ph.D. (WVU, Economics, 12/2016)

Other Advising Activities

- Postdoctoral Researcher Advisor, University of Idaho: Jung-Keon Jo (2026-present).
- Postdoctoral Researcher Advisor, University of Idaho: Qi Zhang (2024-2026). Initial placement: Visiting Assistant Professor of Finance, Economics, and Analytics, Viterbo University, La Crosse, WI.
- Undergraduate Research Advisor, University of Idaho: Hadley Beechinor (2024-2025); Mika Brouwer (2024-2025). Posters presented at the 2025 University of Idaho Undergraduate Research Symposium.
- Undergraduate Research Advisor, WVU Division of Resource Economics and Management: Stephen Sullivan (2014-2015), Second Place, M.S. Research Category, 2015 WVU Davis College Graduate Student Research and Creative Scholarship Conference; featured on *WVU Mountaineer News*.
- Ph.D. Second-Year Mentored Research Paper Advisor, WVU Division of Resource Economics and Management: Sara Farhangdoost (2018-2019); Kuan-Ming Huang (2017-2018), Alexandre Scarioffolo (2017-2018); Douglas Mugabe (2016-2017)

Service Activities

- Service to the Profession

AAEA—Agricultural and Applied Economics Association; **NAREA**—Northeastern Agricultural and Resource Economics Association; **WAEA**—Western Agricultural and Resource Economics Association; **CEMA**—Commodity and Energy Markets Association.

2024–Present	Editorial Council Member, <i>Journal of Agricultural and Applied Economics</i>
2022–Present	Member, National Wheat Improvement Committee
2021–Present	Associate Editor, <i>Australian Journal of Agricultural and Resource Economics</i>
2022–2025	Nomination Committee Member, AAEA
2022–2023	Chair, Graduate Student Engagement Committee, NAREA
2020–2023	Executive Board Member, NAREA
2020–2022	Editorial Council Member, <i>Journal of Agricultural and Applied Economics</i>
2022	Session Moderator and Discussant, CEMA Annual Meeting
2019–2021	Selected Paper and Symposium Committee Member, NAREA
2017–2020	Master's Thesis Award Committee Member, NAREA
2017–2019	Topic Leader, AAEA
2017–2018	Co-Guest Editor, <i>Agricultural Finance Review</i> (Special Issue: “Agricultural Credit and the Changing Landscape of American Agriculture”)
2015–2018	Secretary/Treasurer, Agricultural Finance and Management Section, AAEA
2015–2018	Membership Committee Member, AAEA
2013, 2017	Session Moderator, AAEA Annual Meetings
2015	Judge, Undergraduate Paper Competition Committee, AAEA

- Service to the University of Idaho

CALS—College of Agricultural and Life Sciences; **AERS**—Department of Agricultural Economics and Rural Sociology; **ACRM**—Agricultural Commodity Risk Management Program

2023–Present	Committee Member, Academic Programs Advisory and Curriculum Committee (APACC), CALS
2023–Present	Subeditor, University of Idaho Extension Publishing
2022–Present	Faculty Advisor to undergraduate student team managing social media presence for Barker ACRM Program (Twitter, LinkedIn, Facebook, and Instagram)
2026	Search Committee Member, Associate Dean for Academic Programs, CALS
2023–2025	Awards Committee Member, CALS
2024–2025	Search Committee Member, Dean, CALS
2024, 2026	Chair, Third-Year Review Committee, AERS
2022–2024	Search Committee Chair, Area Extension Educator—Risk Management, AERS

2023	Search Committee Member, Instructor of Finance, Barker Risk Management and Trading Program, College of Business and Economics
2022	Search Committee Member, Instructor of Finance, Barker Risk Management and Trading Program, College of Business and Economics
2021–2024	Subcommittee Member, IDEA (Inclusion, Diversity, Equity, and Access) Committee on Improving On- and Off-Campus Relations, CALS

- Service to West Virginia University

Davis College–Davis College of Agriculture and Natural Resources; **REM**–Division of Resource Economics and Management

2021	Advisory Board Member, West Virginia Agricultural and Forestry Experiment Station and Research Office
2021	Search Committee Member, Associate Dean for Academic Affairs, Davis College
2018–2021	Member (2018–2020) and Chair (2020–2021), Graduate Student Research and Creative Scholarship Committee, Davis College
2015–2018	Judge, Graduate Student Research and Creative Scholarship Conference, Davis College
2017	Search Committee Member, Associate Dean for Research, Davis College
2015–2017	Special Events Committee Member, Davis College
2015–2016	Davis–Michael Distinguished Lecture Committee Member, Davis College
2016–2021	Mentored Research Paper Reviewer, REM
2014–2021	Graduate Student Committee Member, REM
2014–2021	Ph.D. Qualifying Examination Committee Member, REM
2018–2019	Faculty Search Committee Member, REM

Referee Service

Journal Referee: *Agribusiness; Agricultural and Resource Economics Review; Agricultural Economics; Agricultural Finance Review; American Journal of Agricultural Economics; Applied Economics; Applied Economics Letters; Applied Economic Perspectives and Policy; Applied Economics Teaching Resources; Australian Journal of Agricultural and Resource Economics; Canadian Journal of Agricultural Economics; China Agricultural Economics Review; Choices; Emerging Markets Finance and Trade; Empirical Economics; Energies; Energy Economics; The Energy Journal; Environment and Development Economics; European Review of Agricultural Economics; Finance Research Letters; Food Policy; Global Economic Review; Humanities and Social Sciences Communications; International Journal of Climate Change Strategies and Management; International Journal of Contemporary Hospitality Management; International Review of Economics and Finance; Journal of Agricultural and Applied Economics; Journal of the Agricultural and Applied Economics Association; Journal of Agricultural and Resource Economics; Journal of Commodity Markets; Journal of Financial Research; Journal of Futures Markets; Latin American Economic Review; Nature Sustainability; Papers in Regional Science; Pest Management Science; PLOS ONE; Quantitative Finance; Quarterly Review of Economics and Finance; Review of Industrial Organization; Utilities Policy; The World Economy.*

Other Review Service: Reviewer of USDA Economic Research Service (ERS) reports; abstract reviewer for AAEE, WAEA, and NAREA annual meetings; external reviewer for Hatch proposals at West Virginia University and the University of Idaho; reviewer for the Michigan State University Extension course *Grain Gains: An Introduction to Grain Marketing* (2025); promotion and tenure external reviewer for Southern Illinois University (2025) and Kansas State University (2020); grant proposal reviewer for USDA NIFA programs (two in 2026; two in 2025; one each in 2018, 2019, and 2020); position classification external reviewer for USDA ERS (2022).

Selected Media Coverage

26. “New UI tool helps farmers choose AR or PLC.” *Capital Press* (05/28/2026).

25. “Iran war drives up fertilizer, diesel costs for Idaho farmers.” *KMVT* (04/10/2026).
24. “Idaho economist helps wheat farmers cut costs, manage risk.” *Capital Press* (11/24/2025).
23. “Mostly high farm input costs, ‘double squeeze’ to persist.” *Capital Press* (10/09/2025).
22. “Tariffs weaken U.S. agriculture, panelists say.” *UI Argonaut* (10/01/2025).
21. “AgBiz summer fellows explore grain supply chain from farm to export.” *University of Idaho News* (08/01/2025).
20. “Global food yields have grown steadily during last six decades, study finds.” *Farms.com* (11/28/2024); *Anthropocene* (12/2024); *Market Business News* (12/01/2024); *ScienceDaily* (11/27/2024); *Phys.org* (11/28/2024). *Seed Daily* (11/28/2024).
19. “Farmers look back on 2024, and ahead to next year.” *Capital Press* (12/05/2024).
18. “New summer internship.” *Catching Up with CALS* (10/30/2024, archived).
17. “Hands-on new minor.” *Catching Up with CALS* (08/07/2024, archived).
16. “Dairy carbon markets.” *Catching Up with CALS* (07/10/2024); *The Cattle Site* (07/12/2024, archived); *Idaho Dairy Focus* (2024, Q2); *Dairy Global* (08/23/2024).
15. “U of I report finds Idaho ag enjoyed record 2023 sales of four top commodities.” *Ag Proud Idaho* (12/22/2023); *Idaho Business Review* (12/21/2023).
14. “Idaho farm margins will tighten in 2024, analyst warns.” *Capital Press* (12/18/2023).
13. “How wheat growers can gain control over the market.” *Ag Update* (08/26/2023).
12. “UI study looks at developing grain marketing tools, strategies.” *Capital Press* (05/31/2023); *Catching Up with CALS* (06/28/2023, archived).
11. “Idaho researcher helps develop promising alternative commodity price predictive model.” *University of Idaho News* (04/05/2023, archived); *Idaho Farm Bureau Quarterly* (05/2023).
10. “Next year’s outlook for input costs mixed, expert says.” *Capital Press* (12/15/2022).
9. “Rising input costs hit farmers hard.” *Post Register* (02/01/2022).
8. “Endowed Chair of Grain Marketing and Risk Management filled by Dr. Xiaoli Etienne.” *Idaho Grain* (Winter 2021).
7. “Some input costs could ease next year, economist says.” *Capital Press* (12/15/2021).
